憑信念 · 創機會 · 傳希望

蝴蝶的進化，是從蟲蛹開始。起初並不吸引，經過不斷進化，蛻變成能夠拍翼高飛的蝴蝶。

同樣地，憑藉一個信念，只要努力不懈，攜手同心，共創機會；相信更生人士及精神復元人士，在幫助和鼓勵下，定能擁抱希望，展翅高飛，翱翔天際。

Faith · Opportunity · Hope

The evolution of the butterfly is starting from the pupa. At the very first stage, its outlook is not appealing; after going through the evolving process, the pupa transforms into a butterfly that can be flying high in the sky.

Similarly, with faith, serious effort and endurance, the public can join hands to create more Opportunities for rehabilitating service users and people in recovery; we believe that with support and encouragement, they will be able to fly high, gain hope, and create themselves a bright future.
