

SO Walk & Run 2026
Adverse Weather Arrangement

If the Hong Kong Observatory issues any weather warning signal after 4:00 a.m. on the event day, the organiser will implement the following adverse weather arrangements:

Typhoon Warning Signal	Thunderstorm / Rainstorm Warning Signal
Typhoon Signal No. 3 or above: Event cancelled	Thunderstorm Warning or Amber / Red / Black Rainstorm Warning: Event cancelled

Important Notes:

1. The event will proceed as scheduled under **Typhoon Signal No. 1**. If participants decide to take part, please pay attention to transportation safety when travelling to and from the venue. The organiser will not be held responsible for any incidents.
2. If any of the above adverse weather warning signals are issued during the event, the organiser will terminate the event and arrange for participants to leave the venue in an orderly and safe manner. The organiser will not be responsible if participants choose to leave on their own without following instructions.
3. If the event is cancelled or terminated due to adverse weather, **no re-scheduling or refund** will be arranged.
4. In the event of adverse weather or the issuance of any of the above warnings during the event, the Event Director reserves the right to alter the route or cancel the ongoing activity. **Entry fees are non-refundable.**
5. If adverse weather is expected on the event day, please check the event's **Facebook page** for the latest updates.
6. Participants are advised to check the weather conditions with the **Hong Kong Observatory** on the morning of the event via telephone (1878 200) or by visiting their website.
