

Senior Manager – Financial Strategy & Social Impact (Wan Chai) (Ref : SM / HO)

SideBySide is seeking a visionary and dynamic Senior Manager to join our leadership team. This role offers an exciting opportunity to contribute to the strategic growth and innovation of the Agency's self-financed initiatives, including but not limited to community inclusion programmes and social enterprise development.

Key responsibilities:

Reporting to the Deputy Chief Executive, the Senior Manager will:

- Collaborate closely with senior leadership in shaping and executing strategic plans across diverse service areas;
- Lead interdisciplinary teams to deliver integrated, evidence-based services aligned with community needs;
- Drive organizational capacity building, operational and financial excellence, and reputation enhancement;
- Provide cultural, strategic, and operational leadership in policy development, advocacy, and service innovation; and
- Explore and oversee resource development opportunities to support sustainable service models.

Requirements:

- Bachelor's degree in Business Administration, Social Work, or a related discipline;
- Minimum 8 years of relevant experience, preferably in social enterprise, self-financed projects, or related services, with at least 5 years in a supervisory or managerial role;
- Strategic thinker with a passion for social impact and service innovation;
- Strong communication and presentation skills in English, Cantonese, and Putonghua;
- Proven ability to lead multi-disciplinary teams and manage cross-sectoral initiatives;
- Skilled in stakeholder engagement, networking, and relationship building; and
- Proficient in digital tools and data analysis related to social welfare, policy, and service trends
